| 101 | Large Enamel on Steel Artwork on display in Terminal 1 by Stefan |
| | Knapp 1959 |
| | Enamel on steel artwork. 15x3m, made up of 15 sections within steel |
| | frame. Restored in 1996 by BAA plc.Knapp was the first to experiment |
| | with fusing enamel onto steel (1954) His discoveries enabled him to work on a massive scale and he continued to pioneer the medium for |
| | the next 40 years. Born in Bilgoraj, a small country town in the south |
| | east of Poland, he was arrested in 1939 and sent to work in a labour |
| | camp in Siberia. In 1942 he was released as a result of the |
| | Churchill-Stalin agreement and made his way to England. He trained as |
| | a Spitfire fighter pilot and worked in reconnaissance until 1945.*ARR |
